EXECUTIVE COMMITTEE

Introduction

The Executive Committee of the College of Psychologists of Ontario is elected from, and by, the members of the College Council. Its role is to monitor and coordinate the work of Committees and ensures that Council has all the pertinent information it requires for effective decision-making. The Executive Committee held five regular meetings during the year.

Activities

Following their election at the Council meeting of June 22, 2018, the Executive Committee met to appoint members of Council and of the College to the six statutory committees as well as the three non-statutory committees; Jurisprudence and Ethics Examination, Finance and Audit, and Nominations and Leadership Development.

The Executive Committee reviewed implementation of the Strategic Direction 2017-2022, monitored the progress of various College initiatives and brought policy issues to the attention of Council for consideration. Among the variety of issues discussed by the Executive Committee were the Shaping the Future Implementation Plan (later to be referred to as “Use of Title”), consideration of the Examination for Professional Practice in Psychology (EPPP2), and the Registrar’s performance review process.

The Executive Committee brought forward new policies for Council consideration and approval regarding integrated risk management, as well as reporting to police and other authorities, recovery of discipline hearing costs and introduced a Code of Conduct for all Council and Committee Members. In addition, recommended amendments to By-Law 5: Selection of Committee Chairs and Committee

Committee began work on revision of the Guidelines for Completing the Declaration of Competence and the Guidelines for Retraining for Supervised Practice members. Completion is expected in September 2019. Revisions to the templates for retraining plan proposal and retraining plan evaluation were completed.

Panel Deliberations

All cases referred by the Registrar & Executive Director to the Registration Committee require thorough preliminary staff review with multiple interactions between the applicants and staff. Many cases require multiple reviews by a panel of the Registration Committee during the period of supervised practice and for approval to participate in the oral examination. In some instances, where the decision is not favorable to the applicant, appeals are made to the Health Professions Appeal and Review Board (HPARB). Decisions from the HPARB provided direction to the panels in rendering more detailed orders and in communicating with applicants in a manner consistent with the provisions of RHPA.

ANNUAL REPORT 2018-2019
Introduction

The Inquiries, Complaints and Reports Committee (ICRC) is responsible for investigating matters regarding members’ conduct and competence. It is also responsible for inquiries into whether a member may be incapacitated. As required by law, every matter is considered by a panel of the ICRC. A panel is composed of one public and two professional members. Public members are appointed to the College by the Lieutenant Governor in Council.

After a panel considers all of the relevant information in a matter, it decides how to proceed. This can range from taking no further action to referring the matter to the Discipline Committee. In some cases the panel may decide that remediation is appropriate. This can include advice or a program of continuing education. Every decision includes reasons, except if the decision is to refer the matter to the Fitness to Practice or Discipline Committees.

A party to a complaint may request a review of the ICRC decision by the Health Professions Appeal and Review Board (HPARB). HPARB will consider whether the Committee’s investigation was adequate and the decision was reasonable.

Investigations staff also engages with matters that do not become formal complaints or reports. For example, the College investigates non-members who may be holding themselves out as Psychologists or misusing the titles “Psychologist” or “Doctor.”

INQUIRIES, COMPLAINTS & REPORTS COMMITTEE

Activities

New matters:
During the 2018-19 fiscal year the College initiated the investigation of 101 complaints, three Registrar’s Investigations and four Health Inquiries, for a total of 108 new matters. These matters related to various areas of practice.

Health Professions Appeal and Review Board (HPARB)
There were 9 requests by complainants and/or members to HPARB to review ICRC decisions in the 2018-19 fiscal year. HPARB issued 9 Decisions, including those for reviews requested in previous years.

Decision Confirmed

- College decision confirmed (6)

No Review

- HPARB F&V (2)

Matter Returned to College

- Unreasonable decision (1)
INQUIRIES, COMPLAINTS & REPORTS COMMITTEE

Dispositions:
The ICRC disposed of 62 cases in the 2018-2019 fiscal year. The ICRC took some action in 28 or 45% of these cases, ranging from providing Advice to referring matters to the Discipline Committee. While multiple dispositions may be reached in any given case, the most serious disposition(s) for each case are represented here.

†F&V: Frivolous, vexatious, made in bad faith, moot or otherwise an abuse of process, pursuant to s.26(4) of the Health Professions Procedural Code
*SCERP: Specified Continuing Education or Remediation Program
The disposition of these 62 cases involved the consideration of 164 allegations. The ICRC took some kind of action with respect to 63 or 38% of these allegations.

**Inquiries**
Investigations and resolutions staff fielded 219 general inquiries in the 2018-19 fiscal year. These inquiries included questions about professional conduct and how to submit a complaint or report, issues regarding access to information, and information regarding people who may be inappropriately holding themselves out as authorized to practice psychology in Ontario.
The inquiries were distributed throughout the year as follows:

Of the 219 inquiries received, 41, or 19%, became some kind of investigation in the same fiscal year. An additional 32 current matters are related to inquiries made in previous fiscal years.

During the 2018-19 fiscal year the Registrar initiated informal inquiries into 34 new matters. These include matters referred to the Registrar for further inquiry by the ICRC, as well as mandatory reports to the College.
INQUIRIES, COMPLAINTS & REPORTS COMMITTEE

In making informal inquiries, the Registrar considers whether he has reasonable and probable grounds to believe that a member has committed an act of professional misconduct or is incompetent. If so, the Registrar may appoint an investigator to investigate the matter on a formal basis. Three of these matters became formal Registrar’s investigations in the 2018-19 fiscal year.

The Registrar also closed 29 informal inquiries in the 2018-19 fiscal year without appointing an investigator. The Registrar may close an inquiry if he believes that further investigation is unnecessary. For example, the College may receive a mandatory report about a matter that is under investigation through the complaints process. In such a case, the mandatory report matter may be closed.

Unauthorized Practice Investigations
In the 2018-19 fiscal year, the College opened 36 and closed 34 Unauthorized Practice cases. These cases relate to unregistered individuals who may be holding themselves out as authorized to practice psychology in Ontario. This includes inappropriate use of the titles “Doctor” and “Psychologist.” The College also investigates unauthorized performance of controlled acts, including the communication of a diagnosis.
Introduction

The Discipline Committee conducts hearings into allegations of misconduct and/or incompetence, referred by the Inquiries, Complaints and Reports Committee. The Committee is also responsible for holding hearings of applications for the reinstatement of a certificate of registration which has been revoked as a result of a disciplinary proceeding.

Introduction

The Health Professions Procedural Code, which is Schedule 2 of the Regulated Health Professions Act, 1991 (RHPA) requires that the College of Psychologists establish a Quality Assurance Program. A Quality Assurance Program is defined as “a program to assure the quality of the practice of the profession and to promote the continuing competence among the members”. The Quality Assurance Committee has the statutory responsibility for the development and implementation of the College’s Quality Assurance Program.

Activities

Self-Assessment Guide and Continuing Professional Development Plan

Every member of the College is required to undertake a self-review every other year, through the completion of the Self-Assessment Guide (SAG) and Continuing Professional Development (CPD) Plan. Members with even registration numbers complete the self-assessment process in the even numbered years and those with odd registration numbers do so in the odd numbered years. Members holding Certificates Authorizing Supervised Practice or Interim Autonomous Practice are required to complete the SAG Guide and CPD Plan each year. This requirement also applies to members who have chosen to move to Inactive status as it is anticipated that these members will be returning to Active status. These members are required to take steps to remain current in their areas of competence during their inactive period and to document this in SAG and CPD Plan.

- 2089 Declarations of Completion of the SAG and CPD plan were due in 2018
- 2077 (all but 12) Declarations were provided by the required date
- 9 members who did not provide a Declaration by the required date were required to submit a completed SAG to the Committee for review
- 3 members who did not provide a completed SAG, were required to participate in a Peer Assisted Review

Peer Assisted Reviews
The Peer Assisted Review (PAR) is an onsite review of a member's practice conducted by two other members of the College. Annually, the College selects members to participate in the PAR process. Members of the College may be selected for a Review as a result of their failure to comply with the requirement to complete the SAG as well as both random selection and stratified random selection. This year the stratified random selection pool was comprised of members in solo private practice. In total, 34 Peer Assisted Reviews were completed. An additional 28 Peer Assisted Reviews are either pending completion or have been deferred until a later date due to members’ extenuating personal circumstances.

Peer Assisted Reviews: June 1, 2018 - May 31, 2019

- Carried forward from previous year: 19
- Failure to comply with SAG requirements 2018-2019: 3
- Random Selection -2018/19: 5
- Stratified Random selection (Solo Private Practitioners) 2018 - 2019: 35

Total Reviews Anticipated: 62

- Reviews Completed: 34
- Exemptions/Deferrals Granted: 20

Total Reviews Carried Forward to 2019-2020: 8

Mandatory Continuing Professional Development Program (CPD)
Every member of the College, except a member with a Retired Certificate of Registration, is required to satisfy the requirements of the Continuing Professional Development Program. The mandatory CPD Program is designed to:

- promote continuing competence and continuing quality improvement among members;
- remedy gaps in knowledge and skills identified in members’ self-assessment;
- address changes in practice environments; and
- incorporate standards of practice and advances in technology

The Mandatory CPD Program permits members to undertake continuing professional development and continuing education in a variety of ways as best suits their learning styles and needs.

Members are required to satisfy the minimum requirements of the program every two years. The CPD program was implemented in June 2017 and this inaugural two-year cycle ended in June 2019. A random audit of member CPD compliance during this first cycle will begin in September 2019.
Section 84 of the Health Professions Procedural Code (Code), which is Schedule 2 of the *Regulated Health Professions Act, 1991*, requires the College to have a Patient Relations Committee whose mandate is to enhance relations between members and their clients. This Committee is referred to as the Client Relations Committee at the College of Psychologists of Ontario.

The Code outlines some specific responsibilities for the Committee with respect to sexual abuse prevention while allowing the Committee to address a broader spectrum of client-member relations topics.

### Activities

**Funding for Therapy and Counselling**

The Client Relations Committee administers the Funding for Therapy and Counselling program under the Code. Three individuals, approved for funding in previous years, continued to receive funding for therapy under the program. One additional individual was approved for funding this year.

**Enhancement and Development of Current Sexual Abuse Prevention Documents**

The Committee prepared a document entitled: *Discussion Guide: Prevention of Boundary Violations and Sexually Inappropriate Behaviours* as a resource for College members, as well as anyone else who may view it on the College website. The purpose of the document is to facilitate reflection and discussion among professional peers about difficult situations involving professional boundaries. It is hoped that this will lead to reflection and discussion and consequently reduce barriers for those who may benefit from peer support and advice. The Discussion guide is available to the public on the College website and was provided to all members using the e-bulletin. Members may provide the College with answers to questions posed within the Guide using an anonymous survey which is available to them. At a future date these answers will be summarized and made available to members.

**Policy Development**

The Committee reviewed the College policy on *Confidentiality Obligations and Handling of Confidential Materials*, for the purpose of making recommendations related to the handling of electronic information. Recommended changes were approved by Council in March 2019.
**Introduction**

ANNUAL REPORT 2017-2018

To the Members of Council of College of Psychologists of Ontario

Opinion

The summary financial statements, which comprise the summary statement of financial position as at May 31, 2019, and the summary statement of operations for the year then ended, and related note, are derived from the audited financial statements of College of Psychologists of Ontario (the "College") for the year ended May 31, 2019.

In our opinion, the accompanying summary financial statements are a fair summary of the audited financial statements, on the basis described in the note to the summary financial statements.

Summary Financial Statements

The summary financial statements do not contain all the disclosures required by Canadian accounting standards for not-for-profit organizations. Reading the summary financial statements and the auditor's report thereon, therefore, is not a substitute for reading the audited financial statements of the College and the auditor's report thereon.

The Audited Financial Statements and Our Report Thereon

We expressed an unmodified audit opinion on the audited financial statements in our report dated September 27, 2019.

Management's Responsibility for the Summary Financial Statements

Management is responsible for the preparation of the summary financial statements on the basis described in the note to the summary financial statements.

Auditor's Responsibility

Our responsibility is to express an opinion on whether the summary financial statements are a fair summary of the audited financial statements based on our procedures, which were conducted in accordance with Canadian Auditing Standard (CAS) 810, Engagements to Report on Summary Financial Statements.
